

BOHEMIA INTERACTIVE a.s. hereby grants to any third party a personal, non-exclusive, non-transferable permission to use and display game content and to create derivative works ("Work") based upon audio & video capture/recording of game content on the website: www.vimeo.com, for worldwide commercial use based on full or demo versions of games from BOHEMIA INTERACTIVE a.s., under the following conditions:

There needs to be included into every Work and it's description the following notice:

"This video was created using content of Bohemia Interactive a.s."

"Copyright © 2013 Bohemia Interactive a.s. All rights reserved."

"See www.bistudio.com for more information."

Exception: in the event of use of content of DAYZ, this notice will be:

„This video was created using content of Bohemia Interactive a.s. and content created by Dean Hall“

"Copyright © 2013 Bohemia Interactive a.s. All rights reserved."

"See www.bistudio.com for more information."

You may make money using your videos of our Game, for instance by putting ads on them, as long as you also add your own unique content to the video, such as an audio commentary. The amount you add must be enough to make it fair and worthwhile for someone to pay for it or for you to make money from it. For example you cannot simply include your logo, web address or indent but you could add an audio commentary or your own music if you are creating a music video.

BOHEMIA INTERACTIVE a.s. reserves the right to change or cancel this permission at any time in its sole discretion.
